

GRACE FRANKS AWARDS - Elk Point Elementary School's top students, on the basis of academic achievement, citizenship, sportsmanship and all other aspects of school life, were presented with the Grace Franks Awards by Mrs. Franks' sister, Mabel Dumont (right) at Monday's awards ceremonies. Recipients were: Grade 1A - Sarah Schade; 1B - Helen Ramful; 2A - Nicholas Myshaniuk (great-nephew of Mrs. Franks and grandson of Mrs. Dumont); 2B - Justin Berg, Valerie Friesen; 3A - Kristyn Ballas; 3B - Kristin Campbell, Jonathan Buryn; 4A - Mark Ference; 4B - Tasha Yopyk; 4C - Eva Gusnowski, Kirsty Lindquist; 5A - Kali Cousins; 5B - Leanne Wilson; 6A - Joey Farebrother; 6B - Julie Young, Joanne deMoissac. More Awards Day pictures on Pages 6 and 7.

Health Council Steering Committee reviews guidelines

Elk Point's Community Health Council Steering Committee met Thursday to review the draft guidelines for the development of community health councils, and to prepare suggestions and recommendations based on the initial meeting of the Steering Committee, April 27, which were presented to community delegates June 1.

A number of recommendations were made. Regarding the consultative process, the committee felt there should be "widely involved information sharing and consultation with citizens in the Lakeland Regional Health Authority" prior to the formation of one or more community health councils. At these meetings, there should be printed information as well as oral presentations, providing some alternative options for consideration, and response in the form of preferences and clarification of needs should be invited. Opinions of municipal governments and local steering committees should also be invited. The steering committee said they would be willing to meet with a representative of the LRHA to discuss their recommendations in

greater detail.

Regarding the number of community health councils, the steering committee felt there should be one for each health centre, as well as a regional council made up of one representative from each health centre district council, plus representatives from any large communities that do not have health centres. They recommend that the LRHA Board does not set up CHCs on an area basis. 'Community' could be defined as the area served by that health centre or the area served by a Health Unit sub-office.

The purpose, roles and responsibilities of a CHC was seen by the advisory council as being to provide advice and information on health issues, to respond to proposed policies and programs.

The powers or duties which could be delegated by a Regional Health Authority were seen as the RHA having the final authority for accountability, and the RHA providing orientation workshops for CHC members.

Desired outcomes of the creation of CHCs

All set for Canada Day '95

Get set, Elk Point - here comes Canada Day, and it's looking like a great weekend.

Canada Day will kick off with the Chamber of Commerce Pancake Breakfast, to be held on 50th Street in front of the Liquor Store from 8 to 11 a.m. Kyle Jones and his group will provide some music to munch by.

At 9 a.m., the youngsters are invited to Northbound 41 to get decorated for the day with some Face Painting, courtesy of the Canada Day Committee.

The Lions Club Parade forms up north of the A. G. Ross Arena between 10:30 and 11:30 a.m. Horses and horse-drawn vehicles are asked to line up at the far north end of 51 St., as they did last year. Youngsters with decorated bicycles will gather in front of the Arena. A great bunch of prizes will be drawn for after the parade, and every young cyclist will get an ice cream cone from Northbound 41. This year, the bicycles will NOT be judged for ribbons and cash prizes, with that money going toward the merchandise prizes instead.

The parade will go at noon, following the same route as last year, and will feature the Cold Lake Canadian Forces Band. The usual nine categories will be judged, with the Canada Day Theme for this year being "We Remember." Other categories will include Horses and Riders, Commercial Floats, Industrial Floats, Adult Clubs and Organizations, Youth Clubs and Organizations, Antique Vehicles, and Individual Free Style.

The afternoon stage show will take place in the A. G. Ross Arena, with entertainment starting at 2:30 p.m. with the arrival of the Legion color party. The Vegreville Ukrainian Dancers, Elk Point's own Travis Pankiw, Angie Durocher, the Jones Brothers, cowboy poet John Drobot and other entertainers are on the agenda. For the youngsters, a special feature will be a visit from Crackers the Clown, who will be on hand from 2:00 to 4:00 p.m. to delight everyone with her balloon animals.

Hungry after the parade, or later in the afternoon? A hot meal featuring barbecued beef, potato salad and all the trimmings will be available at the arena from 1 p.m. on into the evening, as well as the regular concession menu.

continued on page 2

Chamber will hold mid-summer meeting

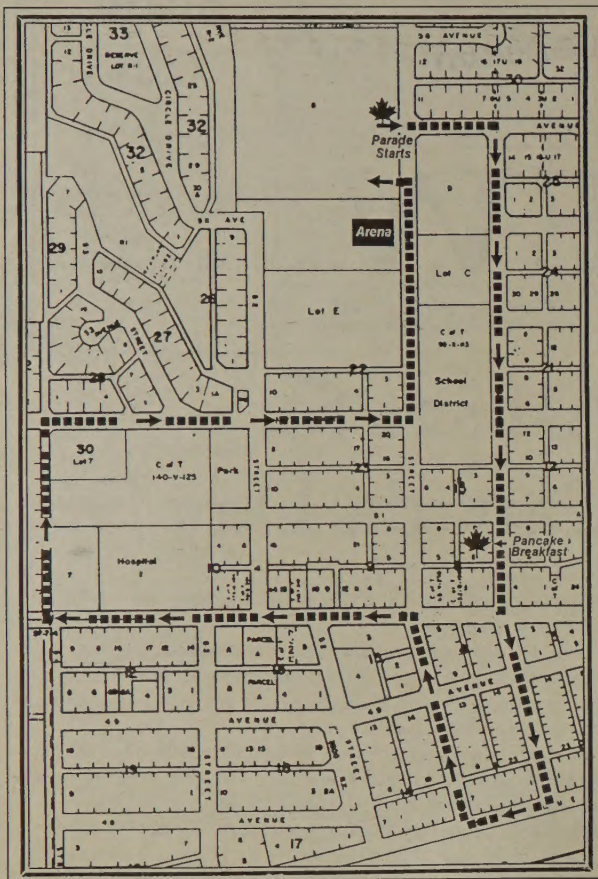

Elk Point Chamber of Commerce has decided not to recess totally for the summer, however they are cutting back to one midsummer meeting, on Wednesday, August 2. This will enable the executive to proceed on any important and time-sensitive matters, and prevent a huge backlog of business from being held until the September 6 meeting.

The Chamber welcomed a

new member to their June 21 meeting. Arun Chakravarty and his wife Bea recently purchased the Elk Point Hotel.

Two years ago, the Chamber discussed purchasing their own pancake grill for use at the yearly Canada Day Breakfast, and then shelved the project because projected costs to have a grill built were far higher than expected. A grill has now been found in

Canada Day Parade Route

Canada Day celebrations

(continued from front page)

One of the highlights of the weekend follows the stage show, when the action moves to the Fairgrounds, for the Elk Point Lions Invitational Powerpull '95, featuring 2-wheel-drive and 4-wheel-drive pickups and modified tractors in intense competition. This two-day show will go July 1 at

5:30 p.m. and continue on Sunday, July 2 at 1:30 p.m.

Saturday evening will wind up with the Canada Day Beerfest, with dancing to the Grant West Band from 9 p.m. until 2 a.m.

A huge and exciting fireworks show is scheduled for 11:30 p.m., for a colorful birthday salute to our country.

The Canada Day celebrations will come to a close Sunday evening, with the Gospel Concert at 7 p.m. in the Elementary School. Featured guests will be gospel singers Ken and Mildred Jackson from Calgary, who will entertain along with a lengthy lineup of local singers in this very special part of the annual event.

Agricultural Society holds Annual Meeting

By Faye Smith

The Elk Point Agricultural Society Annual Meeting was quite well attended with good representation from both the Elk Point Fairgrounds Committee and the A. G. Ross Arena Operating Committee. One representative also came from the Tennis Club.

The Fairgrounds Committee gave their report. They feel that the group is doing well; managing to meet payments and all operating expenses. They have some ideas about a debt reduction plan and have already started the Heifer Raffle. This year it has an Early Bird Draw to be made on

September 15 for a trip to Las Vegas and the National Finals Rodeo. Get your tickets soon.

Concerns have been raised about the runoff in the spring of oily, salty material plus animal waste going onto private property. Ditching is being looked at. The Gate Project is on hold at the moment until the ditching has been decided upon.

The A. G. Ross Operating Committee gave their report, with Betty Callbeck giving the financial report and Kevin Bjornstad the overall happenings. Ms Callbeck stated that it takes about \$80,000 just to keep the arena operating. They are

making enough money to do this and to make the loan payments.

Kevin Bjornstad said the Debt Reduction Plan is going well and they have reduced the loan from \$234,000 to \$162,000. He was pleased with the support from grandparents and seniors. The business community has also donated well to this worthwhile project. The Society received word that the grant structure and payments will remain the same for 1995/96, so that was good news.

The Tennis Club (Jim Hawkins) reported that they are hoping to receive a Sport

Council grant and with the money they have raised, will be able to put an acrylic finish on the courts. This will be better for playing and it will not

deteriorate as fast. They have some fundraisers to help provide lessons and tennis camps for those who want to learn or improve their game.

Operating Committee elects new executive

The A. G. Ross Arena Operating Committee held their Annual Meeting on Tuesday, June 20 with 23 members present to hear reports on a successful year.

The biggest success was in the area of debt reduction. A major fundraising effort resulted in decreasing the arena mortgage from \$234,482.25 on December 1, 1994 to \$161,903.63 in just six months, a decrease of \$72,578.60.

Revenue figures, which include the debt reduction funds, were up \$51,529.65 last year, but expenses were correspondingly higher, leaving about \$4000 less cash on hand to start another year. Lower than expected enrollments in figure skating and minor hockey, less commercial hockey teams, and smaller-than-hoped-for revenues from beer-fests, the bingo and the garage sale are cited as a cause of the deficit, along with increased utility costs.

Outgoing President Kevin Bjornstad said the AOC "will have enough to get us through until fall" and is hopeful that the Canada Day beerfest will be successful. "We're not to a point of dire need," but have been considering raising fees, Bjornstad said. The group is reluctant to do this because they fear this might prevent some youngsters from taking part in activities. Instead, the group is looking for new ways to bring in funds while providing entertainment for the community.

The meeting ended with the election of the new executive. Dave Cousins was elected President, with Kevin

Bjornstad moving to the Past President's chair. The Vice President's position was left open for the time being. Donna Bassett will continue as secretary, and Yvette Bochon consented to be the new treasurer. The Booth Coordinator's position has been divided into two, with Terry Kopeck taking the Scheduling portion, and the Buyer position left open until a volunteer is found. Directors will be Tony Peters, Dan Povaschuk, Al Pankiw, Keith Campbell, Doug Callbeck, Lynall Slywka, Gillian Cousins, Joanne Ference, Ron Croteau, Agnes Moroziuk and Jerry Kopeck, with several others expected to be appointed by

the Figure Skating Club. The executive and directors will hold their first meeting July 12.

View Points

VALUED VOLUNTEER - Lee Johnson, who has volunteered in the Elk Point Elementary School library for the past six years, was presented by a farewell gift of thanks by Principal Don Conrad. The Johnson family is moving to Calgary.

Fare thee well to McGregors

By Jim McLellan

Elk Point Baptist Church

Almost fourteen years ago John McGregor interpreted a promise from God, recorded in the Bible which says, "I have set before you an open door, and no man can shut it..." (Revelation 3:8). This "open door" for John and Roberta and their children, Sarah, Margaret, Andrew and David, swings both ways. This door, we have learned, is not a physical door. The physical door that opened 14 years ago in our old FCSS building is indeed closed forever; but the spiritual door, that of a Church family, is still wide open.

This summer, the McGregor family will leave through this door and will find themselves facing another opportunity as they relocate to Saskatoon. For the family and for John's work with the Billy Graham Association, this will be very beneficial.

For the seven years following that first service on

September 20, 1982 in the old FCSS building, John continued to serve not only as a pastor to the Baptist families, but with a commitment to the entire community of Elk Point. Working as a school counselor, an FCSS Board member and throughout the community, God has used John to impact our community for the good and the Gospel.

In 1983, John also found another way to serve the community. A local newspaper, the Lakeland Review, was established, and he became its advertising manager, as well as operating the press for commercial printing. The Review was purchased by the St. Paul Journal the following March and John continued to be a valued employee. It was sometimes rumored that nothing but his prayers kept the elderly press, which came with the business, rolling at times. He left the Review May 2, 1985 to become a full time pastor.

In 1988 John resigned his position as Pastor and entered into full time evangelistic work

with the Graham Association. The great bonus we received from this decision was that the McGregors remained in our community. As a family we have seen them actively involved in the schools, the library, plays and community sports.

Many of the members of that original church started in the 'old school' (as it was affectionately known) are actively involved in the church today, as it has developed over the years. Others have come and also become part of this venture of faith which was so much a part of the fabric of the McGregor clan 14 years ago. As they leave, they leave a church that is stable and effective, to the glory of God.

Elk Point Baptist Church will be holding an Open House for the McGregor family on July 3 starting at 7:00 p.m. The entire community is invited to this informal but meaningful event. The Open House will be held in the church basement.

Onetime district resident passes away

A former Elk Point resident, Frank Dean Arnold, died June 14, 1995 in Chilliwack, BC. The second son of Grant and Kate Arnold, Frank passed away following a brief illness at the age of 78.

Born in Waukon, Iowa, July 14, 1916. Frank came to the Elk

Point area at one year of age. He worked with his father and others in the area, after his years at Paramount School, and married Evelyn Hall in 1942. They moved to BC with their two children, in the early 1950s. Settling near Chilliwack, Frank worked in the logging

industry. They also acquired a dairy farm, and grew corn, etc. for market. Another son was born to them.

After retirement, the family moved to Sardis. Here Frank took up lapidary, making many beautiful articles of polished stones.

TIC Talk

By Sherry Pelech

Tourist Information Clerk

We are happy to tell you that the B.C. stuff has finally arrived. We have maps, accommodation / campground guides and travel guides, but only a limited number of each, so first come, first served.

There is a trend in holiday plans we have been noticing for some time. More and more people are planning on spending their vacations at home and are looking for campgrounds and activities right here in the area. So for the next few weeks we will offer some suggestions.

Did you know that Whitney Lakes Provincial Parks is home to over 200 different bird species? The four lakes that make up the park are each

unique in their own way.

Whitney Lake has great beaches and nicely developed swimming areas. It also has water pumps, changing rooms, toilets, a cook house and camping sites.

Laurier Lake has excellent year-round fishing. There are jackfish, perch and walleye (pickerel).

Ross Lake is one of the most superb campgrounds in the province. It has beautiful grassy campsites, surrounded by trees and bushes. There is an abundance of chokecherries, pincherries and saskatoons (in season). There are fish cleaning stands, playgrounds, group camping areas, showers, covered picnic shelters and beautiful walking trails and interpretive sites.

Borden Lake is for the birds.

You cannot drive into this wonderful bird sanctuary and motor boats are not allowed. But you can walk in and if you feel like packing a canoe with you, you are more than welcome. The park office will be happy to supply you with trail maps and loan you activity packs. You can choose a pack that demonstrates animal sign identification, or one that shows you how to recognize and follow different animal tracks, or an activity pack that helps you spot and identify different birds.

As always, when visiting a Provincial Park, leave nothing behind by your footprints and take nothing away but good memories and photographs.

SOCCER SEASON WINDS UP - Elk Point's three soccer teams ended their 1995 season with a wiener roast last Monday evening. The Under 7 team was coached by Craig Moen, Lea Wruth and Rob Norman, while Brenda Bintz, Rick Patroch and Chris de la Giroday coached the Under 9 and Under 11 teams. The teams were sponsored by Pan Canadian Petroleum, Tarsands Steam Cleaning, Hillside Service, H. & C. Derewynka Trucking, Norcen Energy Resources, the Town of Elk Point, with the help of numerous parent volunteers.

HAVE A GREAT SUMMER - say the coaches and executive, as Soccer season winds up. From left to right are Steven Montgomery, Rick Patroch, Lea Wruth, President Michelle Anton Roberts, Craig Moen, Brenda Bintz, Rob Norman, Secretary Cheryl Derewynka, while down in front is Chris de la Giroday, Treasurer.

N.E.A.R.T.A. meets at Fort George

By Gertrude Haglund

Our last meeting of the year was held at Fort George and Buckingham House near Elk

Point where retired teachers from North East, Vermilion and Wainwright met to enjoy fellowship and a potluck din-

ner. The friendly staff helped to make us comfortable.

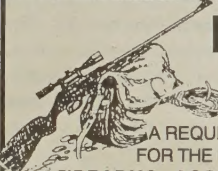

At one o'clock Karen Doyle introduced speaker Peter Melnycky, a research historian from Edmonton. He presented an informative talk and slide show on the early history of fur trading on this site — a place that must be visited.

Our N.E.A.R.T.A. Kimberley Tour May 29 to June 2 was a great success. We enjoyed tulips in Lethbridge Japanese Gardens and Cominco Gardens in Kimberley. Frank Slide Interpretive Centre and a tour into the Bellevue mine was fascinating. The Bavarian food and music at Kimberley was wonderful. Fort Steele also displayed its history of the 1890's.

Our next meeting will be held in Bonnyville on September 19.

GOLF CLUB DONATION - Art Britton of GrenCo Industries presented Dave Yake of Elk Point Golf and Country Club with \$2500 for a tee box in the club's current renovation program. Grenco challenges other oil service businesses to meet or exceed their donation.

Making a healthy difference

GOOD GOING, SLUGGERS - Elk Point Sluggers Mites Girls won the B Side of last weekend's tournament in Cold Lake.

Norcen Sluggers win in Cold Lake

Norcen Sluggers participated in a Mites Girls Tournament in Cold Lake on Sunday, June 18, along with another Elk Point team, two St. Paul teams, two from Cold Lake and one from Pierceland.

In the first game Elk Point defeated Cold Lake 1 by an 11 - 6 margin, while in their second they lost 16 - 8 to Pierceland. This gave them a bye into the B Final, which they played against St. Paul for a heart-stopping 20-19 win, with Elk Point in the field for the final

inning.

Congratulations to "the best bunch of girls in Elk Point" from their very proud coaches.

The Sluggers are: Tamara Berland, Kristin Campbell, Kelly Derewynka, Michelle Derewynka, Laci Jacobson, Kyrie Loughran, Robin Schade, Krisean Sakowsky, Dayna Yaremkevich and Grace Huffman. Missing from the action were Michelle Friesen, Valerie Friesen, Chantelle Bene and Courtinee Bintz.

Seismic seminar visits area

By Wendell Katerenchuk

St. Paul Journal

Armistice Hall was the site of a seismic explosives field demonstration and seminar on Wednesday.

Various government and oil industry representatives visited as part of an Alberta information tour, to discuss regulated set-back distances applied in seismic exploration.

At present, the rule applied in Alberta is the 180 meter rule, which states that no seismic charge can be set off within 180 meters of a building or water well. This rule, arbitrarily set in the 1950's, does not take into account the size of the charge.

"You cannot use a two milligram charge at the 179 meter mark, but you could use 100 tonnes at the 180 meter point — it is not a useful regulation," said Herman Selcho of Alberta Environmental Protection.

The group is preparing to lobby for a change to the Federal Set-back policy which takes into account charge size

when determining set-back distances. In practical applications, the proposed new regulations would mean that the typical one to two kilogram charge used in seismic testing could be set off within 65 meters of water wells or buildings.

Trevor Borden represented the Small Explorers and Producers Association of Canada on behalf of the oil industry. He explained how the present 180 meter set-back distance can substantially reduce the quality, and thus the usefulness of seismic maps. Borden maintained that the quality of the mapping would be greatly increased by adopting the proposed guidelines.

Dr. Ian Ross, an explosives expert from ICI Explosives, explained how a charge sized scaled system would be more

useful than the present regulations. He also said that the proposed regulations are ultra-conservative, and still provide a very large safety margin to prevent damages to structures.

Roger Hardick represented the Farmers Advocate, and assured people that the advocacy process would not be effected by any changes in regulations, and would continue to help people who feel that they have suffered damages from seismic testing have their claims heard.

More presentations were made through the afternoon and a question and answer session followed the presentations.

"We were approached by industry to consider changes, but we want to seek public input before preparing a ministerial brief," said Selcho.

What's news at the library?

Read Around The World program starts next week

By Michele Duczek

Librarian

The first sessions of READ AROUND THE WORLD begin next week. We will be traveling to North America with literature, music, food and games. There is still time to register your child for the program. Our journey begins Tuesday, July 4 at 10:30 a.m.

Once again a batch of new books has arrived. This time we have two blocks of Northern Lights' rotating large print collections. These books will be easy to identify on the large print shelves as they have green spine labels. There is a good mix of different genres; romance, mystery, westerns, general fiction and nonfiction.

Once again I have received the latest in Juvenile series:

The Hardy Boys attended a computer convention in New Orleans and Joe gets arrested for murder in *Frame-Up*. The

two then find themselves on the top of an assassin's hit list in *True Thriller*.

Nancy Drew is drawn into the investigation of the murder of the head writer of television's hottest soap in *Anything for Love*. Then Nancy's romantic holiday with Ned in Belize is interrupted by pirates hijacking yachts in *Captive Heart*.

Little brother Andrew's tattling gets Karen in trouble in *Karen's Tattletale* from Baby-Sitter's Little Sister.

Claudia Kishi has her own radio show in *Claudia Kishi, Live from WSTO!* from the Baby-Sitter's Club.

Elizabeth and Jessica are trapped in Death Valley with a storm brewing and three escaped convicts after them in *Nightmare in Death Valley* from Sweet Valley High.

Elizabeth finds a glowing pen in a dark cave and the mystery she writes with it appears

to be coming true in *The Secret of the Magic Pen*, a Sweet Valley Twins Super Chiller.

Jake and Nog play a virtual reality game that is all too real in *Arcade* from Star Trek, Deep Space Nine.

Fenton Ruplemeier and his friends look into the mystery surrounding some dinosaur eggshells found at a dig site in *Scrambled Eggs* from The Dinosaur Detective. Then Fenton's father becomes a consultant for a movie about dinosaurs and is put in danger when someone begins to sabotage the movie in *Night of the Carnotaurus*.

Members of the Saddle Club travel to England for fun and adventure in *The Secret of the Stallion*, a Saddle Club Super Edition.

LIBRARY CALENDAR:

Saturday, July 1 - The library will be closed for the Canada Day holiday.

Sunday, July 2 - The Friends of the Library have an evening bingo.

Friday, June 30 - The last storyline before summer.

DID YOU KNOW:

The Korean War began on June 25, 1950 when North Korean troops attacked South Korea.

The Big 5-0

Has Arrived!

It Could Be Worse

Health Council Steering Committee

continued from front page

would be increased public awareness and involvement in health issues, increased awareness by the LRHA Board of the need for more information sharing and therefore greater accountability to the entire health region, and

increased communication linkage between the LRHA and the communities within the region.

The steering committee saw the size of local CHCs as including 15 members representing various groups and agencies, health service providers and health committees already in place. The regional health authority advisory council would include some 20 representatives of health centre district CHCs.

Selection of these members on the local CHCs would invited by the boards of the CHCs, with nominations from the CHCs for a position on the RHAAC, appointments to be made by the LRHA Board. Terms of office should be 3 years, with the length of the initial term decided at the first meeting by a draw process, with some members having a 1 year term, others 2 years and 3 years, so only one third of the membership would be changed at one time, and thus preserve continuity.

Timelines suggested were to have the consultative process complete by September 30, formulation of a plan by October 31 and installation of CHCs by November 30. Funding for clerical cost, etc. would be provided by the Regional Health Authority.

Chamber will hold mid-summer meeting

continued from front page

the price range the Chamber had hoped to pay, so the purchase will finally go ahead.

Terri Ehler reported to the Chamber on the Interagency sub-committee on crisis management. She said Interagency is responding to a need to deal with the changes in delivery of human services, and to enable maximum support to people in crisis. To this end, the sub-committee is creating a community profile of local resources which will be made available to the health centre, Town Office, RCMP, and other agencies which come in contact with people in need of these services. A Crisis Response Worksheet is being sent to groups and agencies in the area to determine ways in which they can help people's needs.

Sid Holthe reported on the work now being undertaken towards formation of a Community Health Council, and said further information would be available following Thursday's meeting, at which a proposal would be drafted.

Correspondence was received from the Town of Cold Lake, who along with other communities in the area are hoping to develop a bird watching brochure which includes Whitney Lakes Provincial Park. They hope the communities will share in the cost. The Chamber agreed to find out more about the project before making a financial commitment.

A concern was voiced regarding the lack of retail merchants at the meeting, when they are such a vital part of the makeup of a Chamber of Commerce.

ELK POINT BANTAM GIRLS - are heading to Provincials in Lloydminster in July. Back row, left to right, are Assistant Coach Charlene Anderson, Charise Kinneberg, Janice Derewynka, Rachel Peterson, Kelly Peterson, Coach Art Lypka, Christa Lypka, Christine Penz, Candy Lameman, Coach Ron Croteau; centre row, left to right: Mary Easthope, Carrie Baumgardner, Felina Kinjerski, Amber Kopeck, Charissa Brown, Stacey Kozicky; front, left to right: Raegan Croteau, Dennell Anderson.

Bantam Girls off to Provincials

On Sunday, June 18 the Bantam girls headed to St. Paul to compete in the Lakeland League year end tournament. They lost their first game to Pierceland 10 to 9, dropping them to the "B" side of the tournament. They faced a team from St. Paul in the next game and came away with a hard fought 16 to 14 victory. This put them in the "B" final against Cold Lake. The girls seemed to be getting stronger as the day wore on and pounded Cold Lake 15 to 2 to capture the "B" side of the tournament.

This past weekend saw the girls off to Kitscoty to compete in the Provincial Zone playoffs. Saturday saw the girls win two very exciting games. In the first, they were trailing Kitscoty 13 to 10 going into the bottom of the seventh inning. The girls got their bats going and edged out Kitscoty 14 to 13. They only had a 15 minute rest and were back on the diamond to face Cold Lake. This game would be very different

from their last game against Cold Lake. After 7 very intense innings, our Elk Point girls came away with a 16 to 14 victory.

This set up the final game on Sunday at 11 a.m. against Vermilion. The first inning was scoreless. Elk Point picked up one run in the second and Vermilion one in the third. Each team scored one run in the fourth inning. The fifth inning saw Elk Point pick up three runs to Vermilion's one,

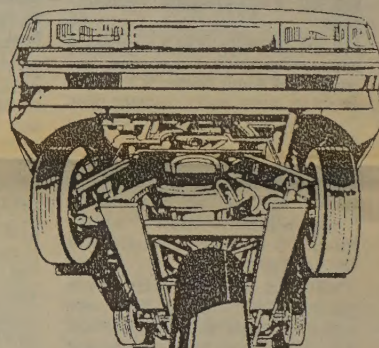

making the score 5 to 2 for Elk Point. The teams exchanged runs in the sixth inning, bringing Vermilion to the plate in the top of the seventh, down 6 to 3. Some very good defensive play by Elk Point kept Vermilion from scoring, and gave our girls a 6-3 victory, and a trip to the Provincials.

The Provincial tournament will be held in Lloydminster on July 7, 8 and 9. Come out and cheer the girls on.

PeeWee girls do well in league playoffs

Elk Point's three Pee Wee Girls ball teams had an excellent weekend at their league finals. Team #2 won first place, team #1 took second place and team #3 made it to the summer finals.

All teams played excellent ball. The final score of the final game was 13-12. It was tied going into the last inning and Team #2 had the last bat, getting the extra run they needed. Congratulations to all three on a great effort.

AFTER 24 MONTHS THE COST OF A LEASE CAN GO WAY UP.

WHY KEEP A CAR ANY LONGER!

With The Plan from Ford, you can be driving a new car every two years instead of worrying about when you'll be hit with new tires, brakes, major tune ups or something else. The Plan is a new, smarter way to drive that takes advantage of a car's most dependable first two years and then leaves you free to keep it,

trade it, or just walk away*. And The Plan lets you exercise your options earlier. After just 24 months, if you decide your needs have changed, you can choose a new car to suit them. Find out more about The Plan and how you can drive a new car every 24 months at your local Ford & Lincoln/Mercury Dealer.

**ZAROWNY
MOTORS LTD.**
Highway 28 West, St. Paul
645-4468 or 1-800-522-4115

* At the end of the 24 month lease, the lessee has the option to return the vehicle or purchase it. Some conditions apply. See dealer for details.
